AIZKRAUKLE CUP 2024

INTERNATIONAL JET SPORT CHAMPIONSHIP

REGULATIONS: UIM, LJSA

CATEGORY RULES:

- Hobby class riders can participate in other classes, except GP1 class
- Family Cup – 2 members of one family can register 1 class each (points calculated based on the number of racers in class; more racers = more valuable points)
- Riders racing in SKI GP1 class can't participate in SKI Classic GP1 class.
- SKI Ladies GP1, SKI GP1 and Runabout GP1 class points are submitted for UIM World Championship Ranking

Age restriction - for Kawasaki SXR1500 or similar skis - riders younger than 16 are not allowed to race with these skis, except if the rider has participated in all Championship races in Latvia in previous year; other exceptions with the approval of Race Director

Racing bib - mandatory for all racers to have racing bib/shirt with their racing number!

FREE PRACTICE:

- The race track will be shown to riders in the briefing by course marshals
- Afterwards, free practice by groups will be held (see the schedule above)
- If 2 or more riders are sharing ski - this can be done within the practice group (20 min for each group)

START PROCEDURE:

- Starting place in Moto 1 - according to the overall ranking of the previous International Jet Ski Championship in Latvia; starting place in Moto 2 - according to the results of the Moto 1
- If there is 1 class in the race - racers 1-5 go to the nearest/inner starting buoy, 6- the rest go to the next buoy
- If 2 classes are combined in the race, each class goes to its starting buoy
- If 3 classes are combined in the race, it will be mentioned at the meeting which buoy each class goes to
- **Rolling start with a marshal and flag:**
- The marshal blows his whistle and gives the signal to start movement in one line forward
- All the racers continue to move forward in a straight line - a signal will be given by the marshal to start the race - raising the flag up
- Maintaining lane - all riders must maintain their lane until halfway to the first holeshot buoy is reached (subject to 1 lap penalty)
- Early start - if recognized, moto will be stopped and re-started
